Scholastic Honors

Outstanding among the honors to which members of the senior class look forward are those that are accorded to the seniors ranking at the top of their class scholastically and academically.

To be included in this group one must maintain a high grade average during the four-year high school career. Competition is usually keen and it takes consistent effort on the part of those who remain in the group until the end of their senior year.

Out of the number of these honor students come a valedictorian, the person with the highest average, and a salutatorian, who has the second highest rank.

Class Histories

HISTORY OF FRESHMEN RECRUITS

We, the class of '52, realized our ambition of becoming Medina High School students on September 13, 1948. Our first class meeting was held on September 15, and we elected Kay Parish president. Our members have already made their presence felt in the many worthwhile activities M.H.S. offers, such as music, dramatics, and athletics.

We are now making plans for our first big party, the "Freshmen-Sophomore Hop." All of us hope to be a credit both scholastically and morally to our ship, the M.H.S.

HISTORY OF SOPHOMORE SEAMEN

On September 13, 1948, we came back to school with all the other classes, this time as sophomore seamen. That name makes us realize that we have already sailed one-quarter of the way along our high school course, and, having gone through our freshman apprenticeship, really have our sea legs.

Now we are looking forward to the rest of our years at M.H.S.—to work, study, and enjoy the good times which only our school can give us. With Ronnie Hall as our president we have already planned a number of fine parties. All of us are making plans for taking our place in the junior class activities and studies next year.

HISTORY OF LIEUTENANTS JUNIOR GRADE

In 1946, we entered senior high as "green" as any other freshmen class with Ed Dornbirer as president. Many of the fellows went out for football, basketball, and track and brought us honors, while the girls went out for G.A.A., Y-Teens, and many other activities. The class as a group sponsored a dance that was very much enjoyed by the whole school.

There's a saying "all good things come to an end" and so did our freshman year. However, very soon we, as Sophomores, came back at the familiar call of the school bell. Our second year, we felt almost like old-timers and we sailed along with Dick Parish as our president.

Some people feel that the sophomore year is most trying, but we found ourselves breezing right through it by planning a class party for the school, cheering our "fellas" on in sports, and serving for the Junior-Senior prom.

Once again the summer crept by us and now we are launched upon our third-year high school course with Nancy Burris as our capable president. Under the sponsorship of Miss Allen, Miss Vandervort, and Miss Hitzelberger, we chose our class rings, put out a swell annual for a

grand senior class, and gave the best prom ever held in Medina High School auditorium.

HISTORY OF SENIOR LIEUTENANTS

Being forty-niners should make us gold diggers, but we're just a hundred years too late for that.

We forty-niners made our debut in September, 1945. This was our freshman year and all this hum-drum and excitement was new to us.

We elected our class officers as did the other three upper classes. During this year the officers had a comparatively small job to do, although the class had a play called "School Daze" and the annual class party.

Nineteen forty-six saw Bob Voshall at the helm for the forty-niners in their tenth year of school. This year the class log records that the class party was held in February with a Valentine's Day theme.

The busiest of the four high school years came in '47, our junior year. The yearbook got off to a swell start at the beginning of the year with Lois Miller and Gwen Gibbs as co-editors. The Junior-Senior prom was well-planned and the big night was scheduled for March 6. This was perhaps one of the best proms in Medina High School history.

Then came the final cruise on the M.H.S. The year started in the usual way with the election of officers. Alan Batchelder was elected president. Other seniors to receive fame and fortune were Nancy Henniger who was chosen Homecoming queen, Dick Komjati who was elected Student Council president, and Reba Shaw and Bob Heniken who reigned as king and queen of the junior-senior prom.

Football History

As Medina entered its second year in the Southwestern Conference League, little was expected from the Bees during their 1948 football season.

Heads looked up, however, as Medina took the first two conference games from Oberlin and Amherst by large margins.

The game that really proved the Bees' ability was the next contest at Rocky River, in which River was highly favored. Both teams battled but, at the ending gun, neither team had scored. Statistically, however, the Bees were victorious, because for the first time in Medina football history had a team been unable to gain a single first down. Medina picked up fifteen and the yardage gained equaled 203 to a poor showing of 14 for River.

Medina remained undefeated in its fourth conference game as the Bees rolled over the Berea Red Jackets 20-12. Brubaker accounted for two touchdowns and the extra points, while a pass from Voshall on the 30 to Kraus who carried the ball the rest of the way, sewed up the Homecoming Game for Medina.

The game with Fairview, however, stopped our winning ways as we came upon the short end of a 13-0 score.

Brubaker's plunging conversion, following his touchdown in the first quarter of the Clearview game proved to be the margin of victory, 7-6, for Clearview came back with a tally in the second quarter but the run for the conversion was stopped short.

A safety by Bill Wolfe, gave Medina the edge in

a 9-7 game with Wellington. The other winning points were scored by Brubaker. Wellington scored in the third quarter and was on the one yard line when time ran out to aid Medina.

Vermilion must have regretted its journey to Medina on November 5, for they received their first setback of the season, 26-6, Brubaker accounted for three tallies while Kraus scored the remainder of the points.

Wadsworth handed Medina its second defeat of the season, 21-6. Brubaker was responsible for the only Bee touchdown.

The final game of the season with Rittman was a pretty muddy affair for all concerned. A safety again gave Medina the edge in an 8-6 victory.

Medina finished a fine season in third place in the League with seven wins, two defeats, and one tie.

During the season the squad suffered many casualties, all to potentially outstanding players. Bobo Voshall received a knee injury in the Berea game and was unable to play the remainder of the season. Jim Holden suffered a cracked vertebrae during the Fairview game and it was doubtful that Jim would be able to participate in sports during the rest of the school year.

Perhaps the most serious casualty was the one suffered by Frank Brantner in the Wadsworth game. Frank received a compound fracture of the right leg and was out for four months.

Junior Horvath and Bill Wolfe were kept out of the Vermilion game with knee injuries.

Junior Football Review

Medina's junior varsity began its 1948 gridiron season on home ground with Fairview. The visitors, however, were unwilling to be Medina's first conquest of the season and went home with a 13-7 victory.

Berea was more obliging and provided no trouble as Medina racked up 19 points while holding Berea scoreless.

The journey to Norton Center proved unsuccessful as the junior varsity walked off the field with a 20-14 defeat.

Rolling up the largest number of points of any

one game, Medina defeated Rocky River here 23-0.

A defeat from Berea, 14-7, closed the season for Medina, with a record of two wins and three defeats.

Robert Salisbury completed his first year at Medina as coach of the junior varsity and proved to be a very able one.

The Rinky Dinks, playing Rittman and Amherst each twice, came through with a 50-50 record, defeating each opponent once. Ralph Stumpf, also completing his first year at Medina, showed fine coaching ability and is well liked by his players.

Kungli gets a pass.

1949 Basketball Season

Closing an unsuccessful season, the Medina Bees were able to capture only four wins from seventeen starts. Most of the games were very exciting and the scores were close, but the Bees did not have that extra punch to place Medina in the winning column.

The team played its best and most consistent game against Amherst when the Bees dropped the Comets 47 to 45. The score changed hands many times during the game but Horvath cinched the contest with 15 seconds to play. Brubaker was high pointer for the Bees with 14 points.

"Red" Horvath was high point man during the season with 209 points to his credit.

The sixty members of the concert band gladly give up their noon hour to devote their time to an intensive band rehearsal.

Band members have had many opportunities to play in select organizations, such as the All-County Band, with Manley R. Whitcomb, director of the bands at Ohio State University, as guest conductor. Several members played in the Canal Fulton Clinic Band. Mr. Frederick Ebbs of Baldwin-Wallace College worked with the band in preparation for the March concert at which he was guest conductor. During the past three years, the band has received an "I" or "Superior" rating in the district contest at Kent, and last year, entering the state contest for the first time, it walked off with top honors, the only band to receive a "Superior" rating in Class AA. It has hopes of repeating its performance this year.

The band has sponsored many activities including a Band Alumni Dance, a Donkey Basketball Game, and the appearance of the nationally famous University of Michigan band under the direction of Dr. William D. Revelli.

As a reward for their hard work, the members of the band are awarded a school letter in music, for their first year and a bar for each additional year.

The concert orchestra, directed by Mr. O'Donnell, is the organization that furnishes the musical background for our dramatic productions. It played on the November 23 music program, participated in the district contest at Kent State University, and played for commencement exercises.

Dr. Nathan I. Galin has been a fundamental factor in the success of the orchestra this year. He has willingly given of his time and patience to rehearse the string section on Monday and the full orchestra on Wednesday, with Mr. O'Donnell directing it on Friday. The private and class lessons which Dr. Galin has given to the students have not only benefited them, but the orchestra as well. He directed the orchestra in its fine performance when it was featured on the March concert.

Our thanks to Dr. Galin for his splendid aid and to Mr. O'Donnell for his untiring efforts.

One of the best morale builders in the school is the Stardusters, M.H.S.'s own swing band, as it opens a dance with its theme song "Stardust".

The Stardusters have not only made a name for themselves but have advertised the school as much, if not more, than any other school organization.

This group composed of thirteen students, eleven of whom are seniors, plays for most of the school activities, such as the G.A.A. banquet, class-sponsored dances, and after football and basketball games.

Having played for many proms and dances at other schools, they are well-known throughout northern Ohio.

The present members have played together for three years, a contributing factor to their success.

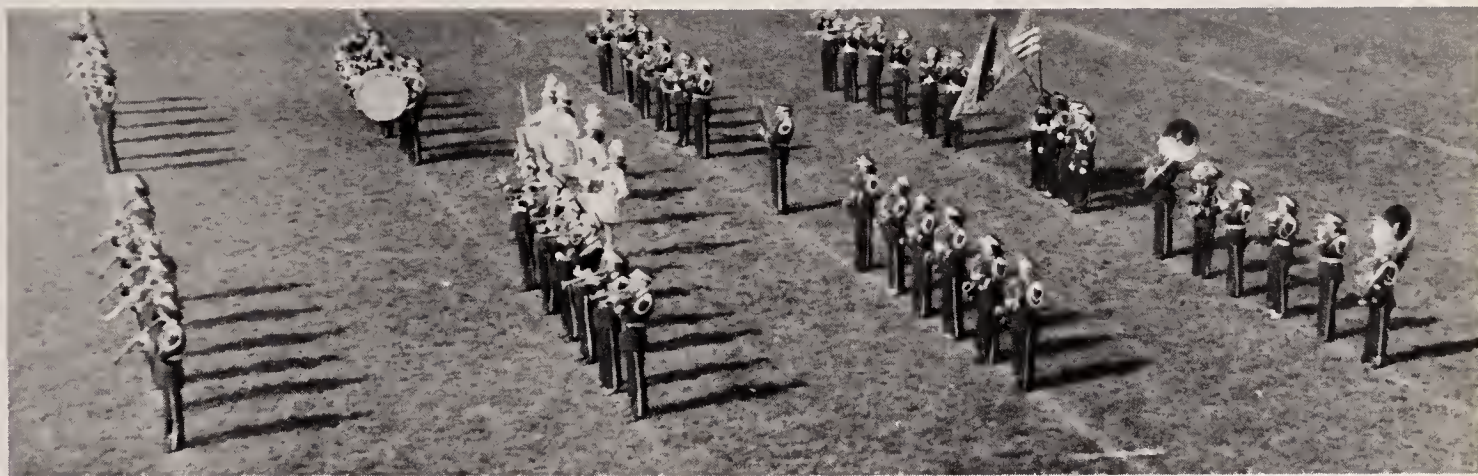

We would like to take space in this article to give due honor to Mr. O'Donnell, the outstanding director of this popular organization. It is through his painstaking work and effort that instrumental music in Medina has risen to the level which it now attains. He has not only cultivated a high interest in music from the grades through high school, but also has produced a state championship high school band and the number-one high school marching band of northeastern Ohio. In addition he has worked with Dr. Galin to develop a fine orchestra.

We wish to commend Mr. "O" for his outstanding work in our school.

Vocalist Jock Anderson

Marching Band

During the 1948 football season, the M.H.S. marching band outmarched all competitive bands and was named the Number One marching band of the Southwestern Conference. It was also rated high above many college bands.

The unforgettable halftime shows featuring such themes as "School Days" and "The Old Lamplighter" will forever be remembered by students and fans. Adding to the snappy marching routines and formations were dazzling displays of fireworks and lights on the band members hats. A committee of band members, working with Director Vance O'Donnell, known to most students

as Mr. "O", carefully planned all the band shows.

The members learned a new show each week, memorizing all music, but the traditional block "M" and the playing and singing of the Alma Mater were always included. The rousing strains of "Fight the Team" and the exploding of a "bomb" could be heard each time that a Medina touchdown was scored.

As an experiment, movies of most of the band shows were made by Ed Morton. This proved very successful in showing members their mistakes and aided greatly in success of the halftime shows.

Vocal Music At Medina High

The vocal department, under the direction of Miss Mary Lou Strock, consists of five major divisions: choir, boys' glee club, girls' glee club, Choralettes, and Harmonaires. Each of these groups practices two to three times a week to give the vocal department the fine reputation that it has.

The fifty-voice choir, consisting of members from the upper three grades, caroled throughout the community and county at Christmas time and appeared in both the November and March concerts. Many of the members participated in the All-County Choir. Joyce Anderson and Kay Parish accompany the group.

The girls' glee club made up of fifty-five voices and accompanied by Joan Barna was the featured group in the March concert. Also appearing on the November Music Festival,

the group is one of the most popular with the girls. The boys' glee club, accompanied by Reba Shaw, also appeared on both concerts.

Carrying on the reputation of girls' ensembles, the Choralettes were an added attraction at the G.A.A. and Service Club football banquets, and at the Junior-Senior Prom. They also sang between the numbers on the All-County Band program.

Eight boys blend voices to make up the Harmonaires. Originally a quartet, the group was expanded this year and entered the County High School Quartet Festival as two quartets.

Because of the increased interest in vocal music, new groups have been added to meet the demand. These are the Ninth Grade Choir and the Junior High Glee Clubs.

HOME COMING

Pat Neuenschwander, Queen Nancy Henniger, Lois Miller

Chosen to reign over homecoming festivities was Nancy Henniger, with Pat Neuenschwander and Lois Miller as her attendants.

Following a special assembly, during which Mr. Fenn presented Nancy with the football used in the game, was a parade around the square. Nan, Pat, and Lois rode in a blue convertible driven by student council president, Dick Komjati.

Just before game time Nancy gave the football to Captain Dean Brubaker. The well-inspired team gained a 28-12 victory over Berea.

Queen Nancy was crowned at the dance after the game, and she and her attendants ruled over the merry-making for the evening.

Junior-Senior Prom

On February 12, 1949, the curtain was opened onto the stage which was transformed into Cupid's Court. Candles glowed and soft music played, lending a romantic air to the occasion.

After a delightful dinner the Deuce of Hearts, Nancy Burris, president of the junior class, gave the welcome, and the Tres of Hearts, Alan Batchelder, president of the senior class, responded. The Sweethearts, the Choralettes, then sang "With a Song in My Heart". After Mr. Claggett, the Jack of Hearts, and Mr. Fenn, the Ace of Hearts, had spoken, a monologue, "The Waltz" by Dorothy Parker, was given by Rosemary Poor, the Joker.

At intermission Bob Heniken and Reba Shaw, were crowned King and Queen of Hearts, with Rosemary Poor, Jay Alexander, Pat Neuenschwander, and Bob Voshall as attendants.

After the grand march Bob Cole's orchestra continued playing for the evening of dancing.

Under the faithful assistance of Miss Edith Allen the Girls Leaders Club this year is trying to improve itself. Not only high grades but also high moral standards are the criteria for membership.

As an aid to increase their knowledge of sports, the girls have bought new rule books. Also they have had fun together at such things as a Halloween party, wiener roast, ushering for football and basketball games, and at their regular meetings every Thursday sixth period.

Twice each month the Girls' Athletic Association of 87 members meets with its president, Marguerite Frost.

The girls try to undertake one important event each month and join together during the month in many different sports such as bowling, basketball, volleyball, and any other sports in which the members are interested.

In November comes the big football banquet sponsored by the G.A.A. Another important highlight in the annual December homecoming at which all the alumni of G.A.A. meet with the present members. During the year the girls also enjoy several play-days and a number of over-night hikes.

For those girls who earn 1500 points a happy moment and a real honor is in store, for they are entitled to wear the G. A. A. letter which makes a green or white sweater look very snappy.

One of the important clubs of our school, the Dramatics Club, is stepping out this year with a larger number of members than ever before. The one hundred members attend two meetings per month, one being social and the other a business meeting.

The club has a new adviser, Mr. Wallace Smith, who is working diligently to help the club make the year 1948-1949 one of the best.

On October 29, a well-chosen cast of dramatics club members presented the play "Blithe Spirit" which was very appropriate for the date. Among the leads in the cast were Rosemary Poor, Nancy Spitzer, Portia Griesinger, and Jim Smith.

The honorary group to which dramatics club members earn membership is National Thespians. With the help of their able assistants, Mr. Smith, Mr. Insprucker, and Mrs. Ainsworth, they presented the play "Our Hearts Were Young and Gay" on March 11, 1949. There are seventeen members this year. To be in this talented group is the highest rank of honor a dramatics student can attain.

This year Hi-Y has a membership of about 50 boys under the supervision of Mr. Robert Salisbury, who is new this year.

The aim of the club is to create high standards of Christian character throughout the school and community.

Buying and planting tulip bulbs in the community park, decorating the park for the Christmas season, and trying out a monitor system in the high school building were just a few of the projects of the Hi-Y.

Two of the other activities the boys enjoyed was the hay-ride which was held in the first semester of the school year, and a benefit dance held for football player, Frank Brantner. There was also a joint Hi-Y and Y-Teen meeting, where racial prejudices were the subject.

To live cleaner Christian lives and to grow in the knowledge of God is the aim of the Junior Y-Teens.

The members work toward their aim at their regular meetings. They have discussions on racial prejudices, family problems, and good grooming.

Besides its business meetings, the club enjoys potluck suppers and parties. One of the most important events is the Y-Teen formal which takes place in the spring of the year.

The club is under the leadership of Miss Marie Jackson and Mary K. Houseman is its president.

The Senior Y-Teens this year have a large membership of about sixty with a new adviser, Mrs. Mary Lou Hill. They have their usual two meetings a month on the second and fourth Thursday, business and social respectively.

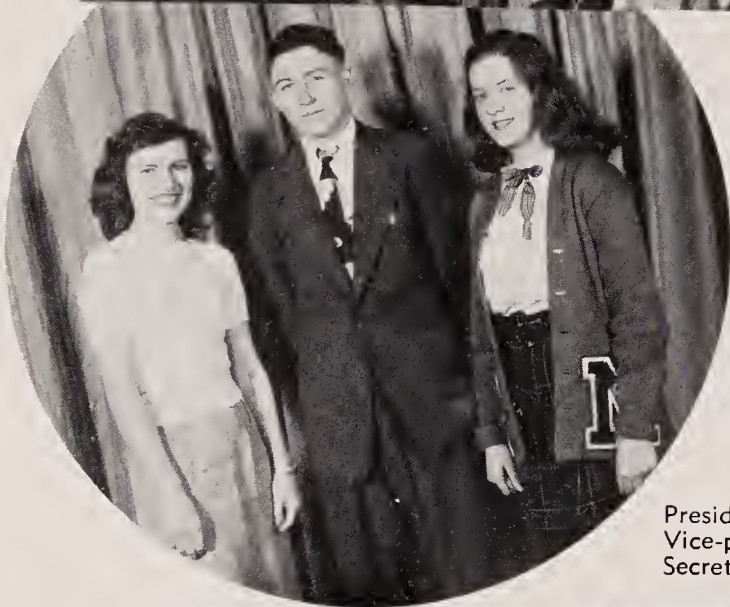

During the year they sent boxes overseas and did many services for the community. At Christmas time the annual party for county children was held at the "Y". They have tried to have meetings at the high school for convenience during the winter. One of the greatest events of the season is the spring formal planned with the Junior Y-Teens.

A joint meeting on racial prejudices held with all the county Hi-Y and Y-Teen groups was one of the largest gatherings of the year. Their social meetings consist of ice skating, caroling, and various other activities.

The F.F.A. is an organization under the direction of Mr. O. C. Duke, Vocational Agriculture teacher. Although membership in this club is not compulsory for "ag" students, it is one of the most active groups at M.H.S.

At least one night meeting is held each month which may include any outside-of-school activity, and also at least one gym night. Regular meetings for these young farmers fall on every other Thursday, when they make plans, discuss propositions, and vote on practices proposed by committees. They do almost all of their planning in committees, each composed of one chairman and three assistants as they believe this makes the chapter more active and interesting.

The boys go on many field trips which give them an opportunity to learn new and modern methods of farming by actual contact with them. Early in the school year the F.F.A. went to Wooster, Ohio, to visit the Experimental Station to learn more about farming.

Organized each year for the second-year students, Spanish Club always holds great fun for its members. They generally have meetings once a month and try to do things in the Spanish way as much as possible.

A small amount of dues is collected and planning committees are appointed to make more interesting meetings possible.

The club especially likes Spanish fiestas, Spanish-speaking pen pals, and games.

Under the able supervision of Mr. John Insprucker, the Photography Club always tries to fulfill its promise to produce people well-trained in the photography field.

At its regular meetings the club learns the fundamentals of photography and receives practical training in putting them to use.

The study of such a hobby may easily prove not only a valuable but also a profitable experience for its members on their cruise through life after leaving M.H.S.

A staff of capable seamen carry on this important work for the ship of M.H.S. They are members of the high school journalism class where they receive their training in newspaper work and also do the writing for the monthly publication of the Medinamite.

With the lifting of the anchor in September, the 1949 Medinian staff was off to make an interesting yearbook. All of them, members of the Junior class, under the most invaluable assistance of Miss Hitzelberger, have attempted to produce an annual which is the best within their ability.

From the choosing of the theme, presentation and dedication, to the carrying out of the work in the art, editing, photography, advertising, and circulation departments, it has all offered interesting and worthwhile experience to all its staff members.
